##### **Rule to Show Cause**

The Verified Motion for Rule to Show Cause is a motion to the court that documents a parent, guardian, or custodian's failure to participate in court-ordered programs or services. The DCS Staff Attorney can file a motion for Rule to Show Cause. The court will review the motion and supporting affidavit. If the court issues a Rule to Show Cause, the court will set a hearing and may find the parent, guardian, or custodian to be "in contempt of court" for not participating or enter an additional order for modification or enforcement of the PPD.
